

THE BECOMING OF WISDOM

Author **Belinda Shaw**
bshawassociates.com.au

Resilience is what gets you out of bed each day, but it is also part of a journey from fragmented to free. In this book, WNA Member Belinda Shaw shares her story and what she has learned. Join her to achieve more and with less drama.

BEAT GENDER BIAS

Author **Karen Morley**
karenmorley.com.au

Bias might be built in to how our brains work, but that doesn't make it acceptable. In this new book, Dr Karen Morley explains how biases trip us up and outlines an approach to minimise their impact. Dr Morley shows how we can all make a difference and play a bigger, more satisfying part in creating a more inclusive world.

THRIVING MIND

Author **Dr Jenny Brockis**
drjennybrockis.com

Best-selling author Dr Jenny Brockis draws on over 30 years' experience to provide a research-based guide to cultivating your best life. From loneliness, stress, relationship breakdowns, loss of social connection and mental health issues, Dr Brockis provides practical, science-based strategies for overcoming these problems—along with habits to help avoid them in the future.

FLAWSOME

Author **Georgia Murch**
georgiamurch.com

We are often our own biggest critic. 'Not good enough' has become an unnecessary mantra. Georgia Murch says it's time for us to accept our imperfections and learn to be ourselves, flaws and all. A must-read for those looking to discover the awesome in being yourself.

YOUR AMAZING ITTY BITTY PODCAST BOOK
